

# PAW PACKS

Paw Packs is a food pack program serving the Gwinn Area Schools that provides healthy & nutritious food to children in need on weekends.

## About Paw Packs

Our mission is to deliver healthy and nutritious food to children on weekends and holidays when they do not get school meals. 75% of our district qualifies for free/reduced lunches. Children who do not have their nutritional needs met are not able to come to school ready to learn!

Every Thursday our packs are assembled at Sawyer School with help of volunteers. Paw Packs is starting at Sawyer School with a goal to reach every child in each school.

## What We Pack

Nutrition is a backbone of our program. Every week we pack fresh fruits and vegetables, healthy canned goods, low or no sugar cereals and oatmeal. We avoid artificial ingredients. We are looking to provide a sufficient amount of calories through wholesome and nutritious foods.

## How Much It Costs

\$3—one Paw Pack  
\$115—feed one child for the whole school year

\*Actual cost may vary based on food available and number of student participants. 100% of all money donated will be used by Paw Packs to feed students in need.

# How You Can Help

We truly live in the best community with the very best people! Our program will be sustained because of wonderful volunteers and the generous donations for parents, community members, and local businesses. Please join us in helping our students as we reach out together to help each other. Contact Paw Packs directly for more information on how you can help.

## Volunteer

There are many volunteer opportunities. From packing, to transporting, to fundraisers, + many more. We appreciate any help you can give!

Please email: [gwinnpawpacks@gmail.com](mailto:gwinnpawpacks@gmail.com)

## Donate

Paw Packs is a non-profit organization. All gifts are tax deductible. We also accept grocery gift cards and prizes for fundraisers.

Please make checks payable to "KI Sawyer School" with "Paw Packs" in the memo and send to address below.
